

hoe toevoegactie afbreken? Knopje oranje maken

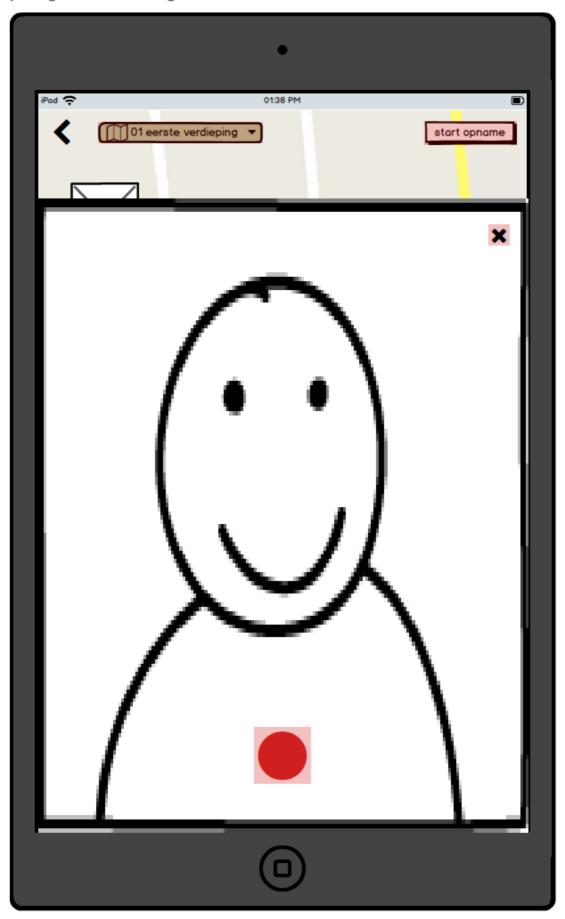

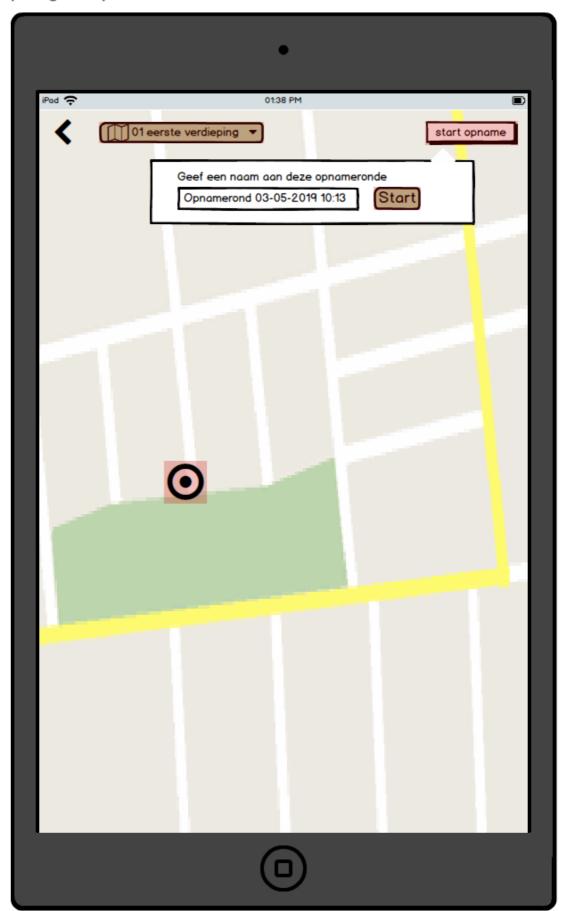

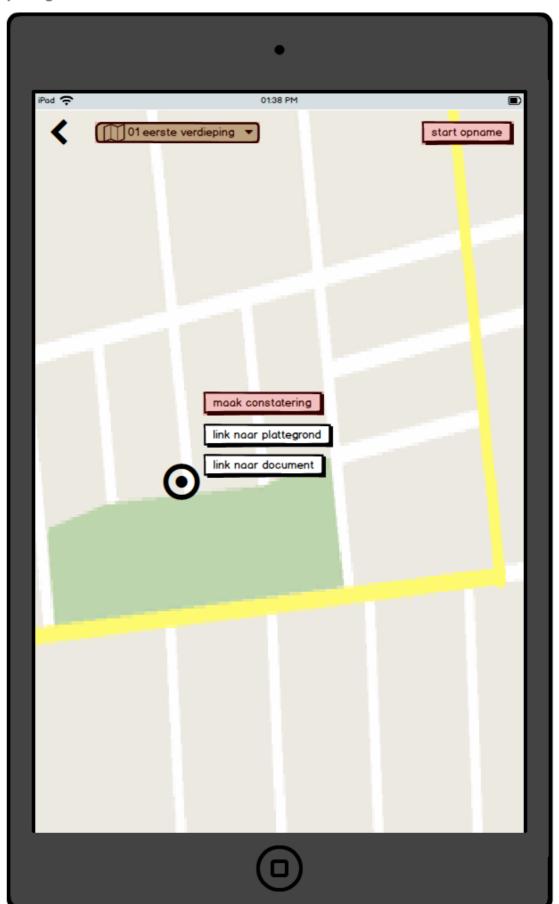

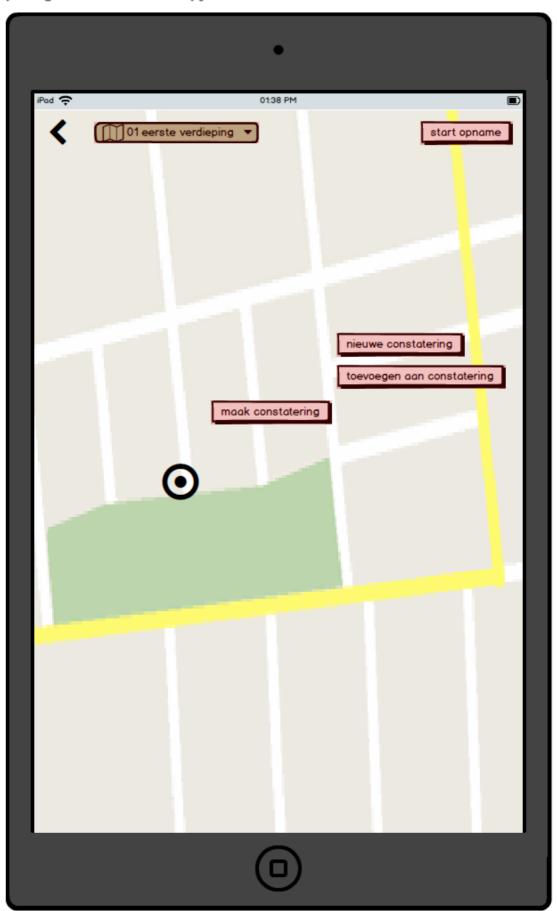

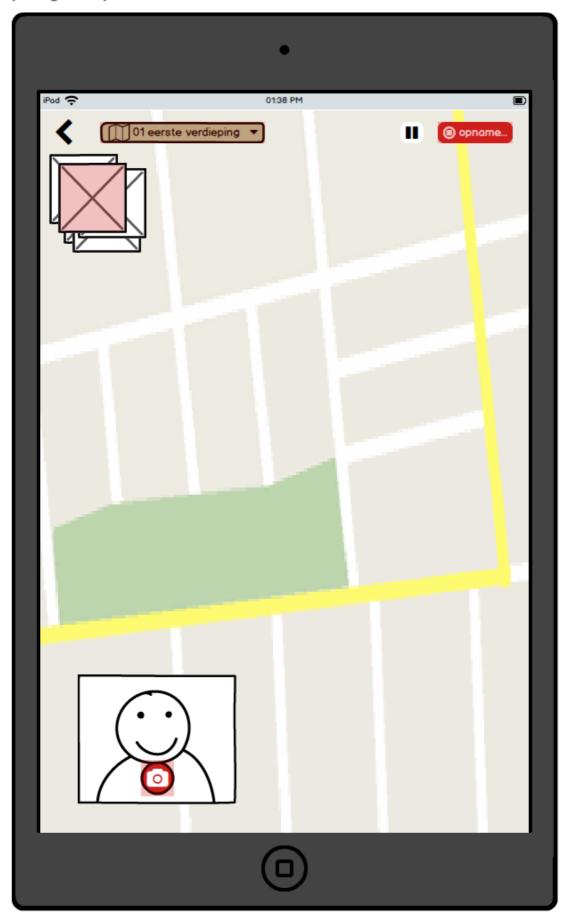

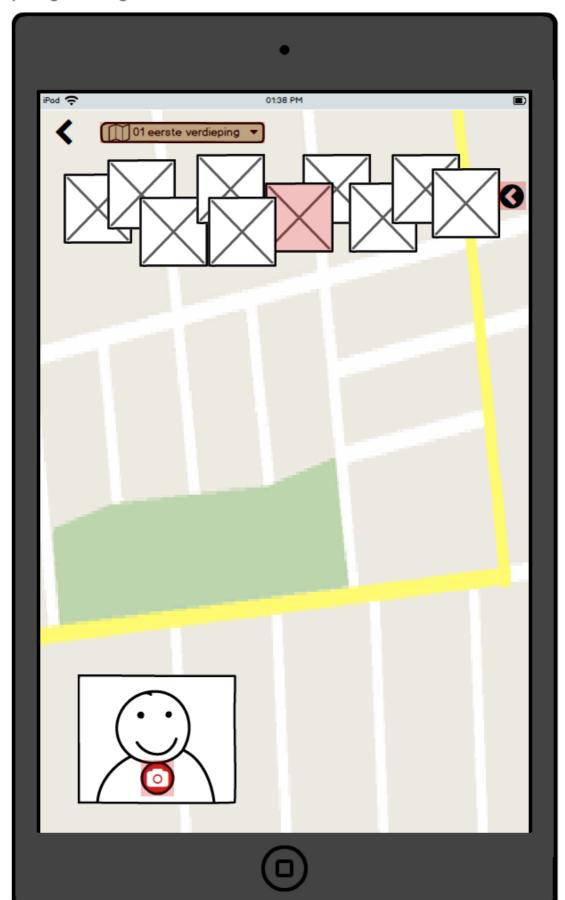

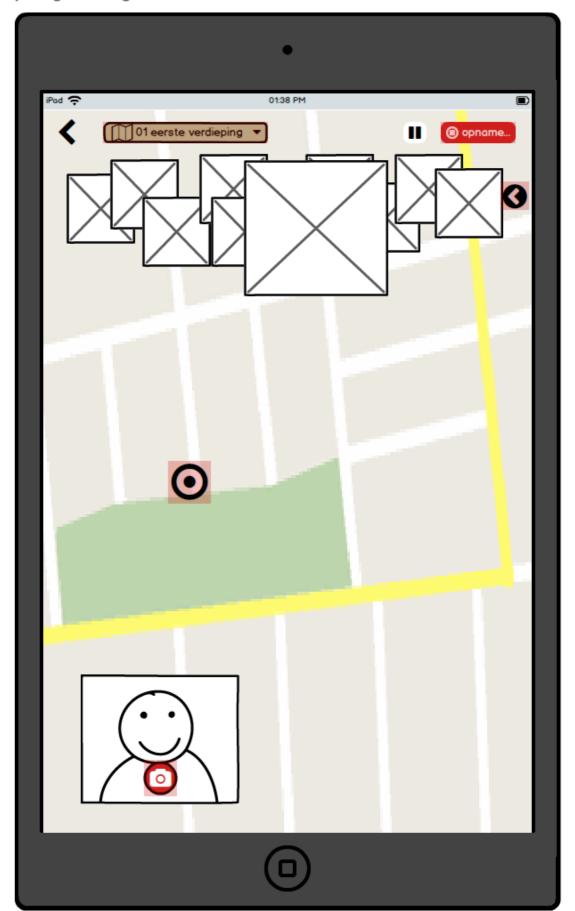

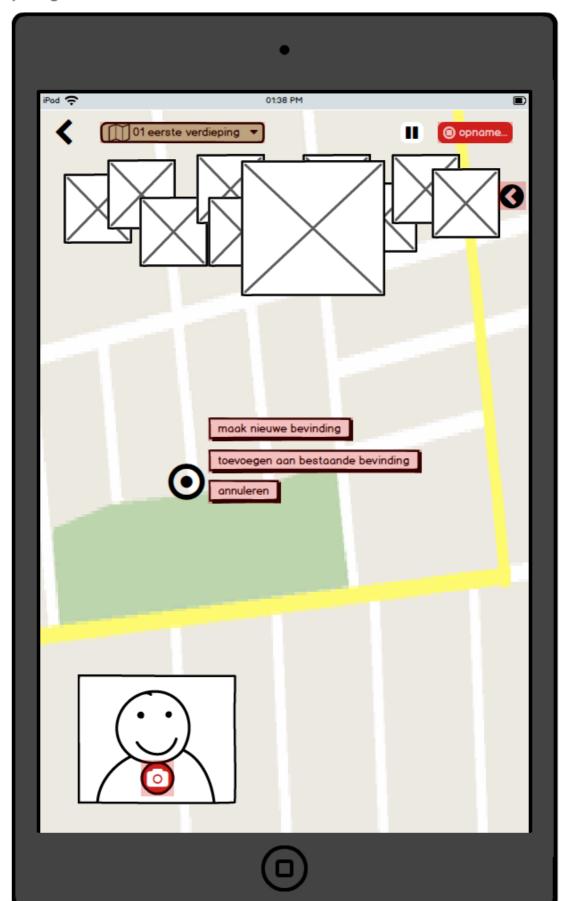

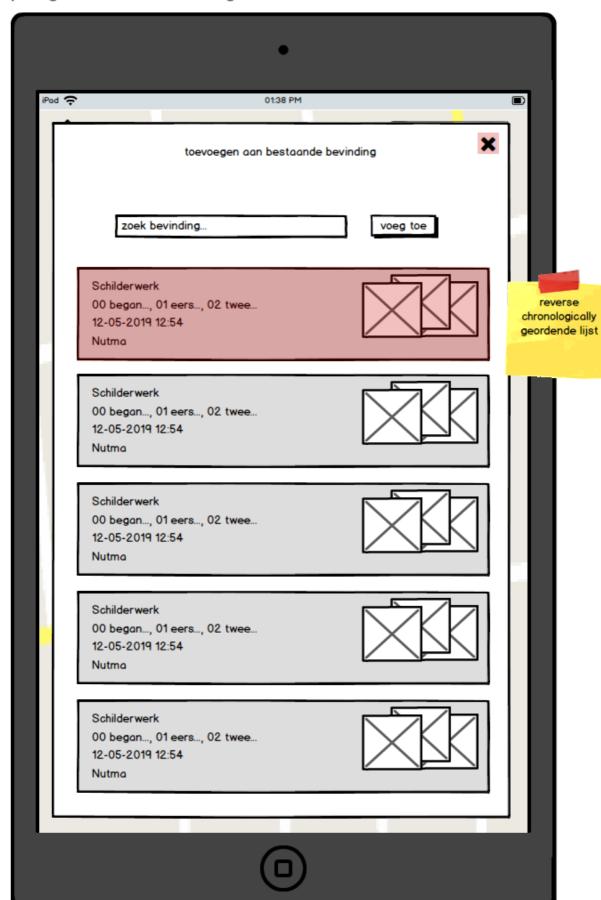

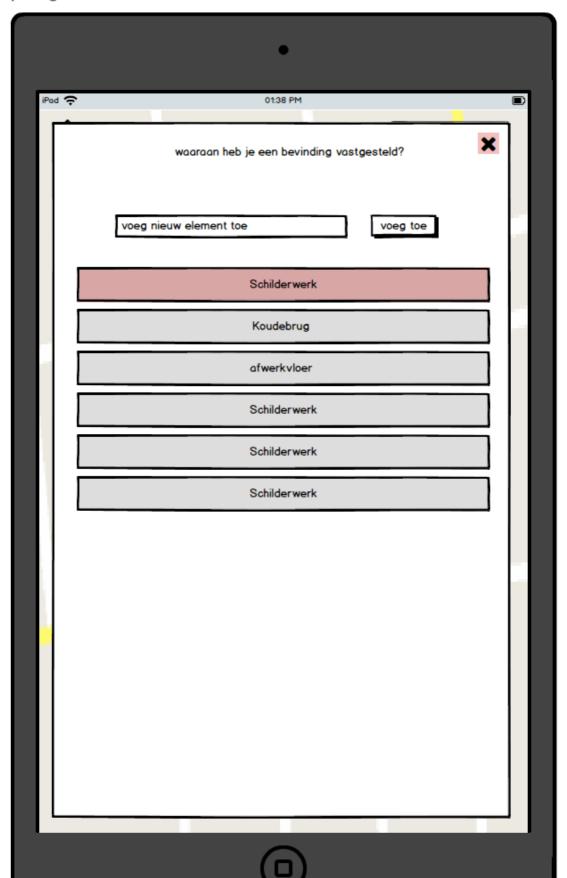

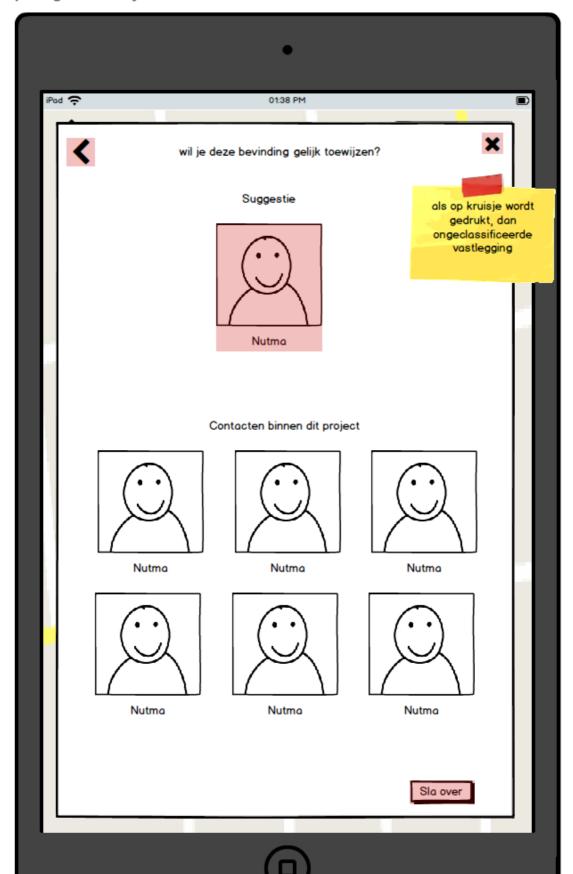

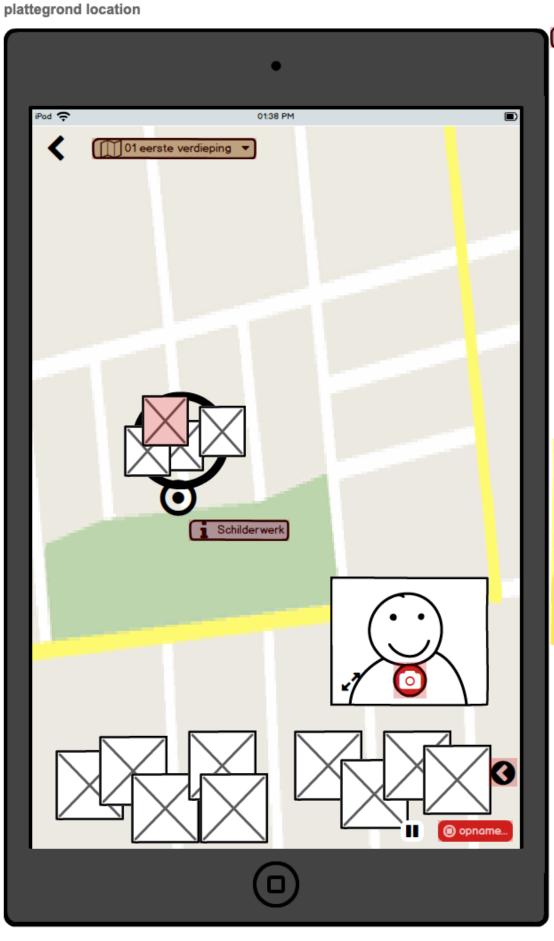

Schilderwerk

- foto's tijdbalk, pinch etc
- verbinden aan andere dingen dan alleen plattegrond
- groeperen foto's? Slepen op stapeltje.
  - Automatisch groeperen obv tijd klikken op marker toont sidebar/
- popup
- hoe ziet interactie met tijdbalk eruit?
- pakketjes van mockups maken van de verschillende use cases
- bevinding en paar andere dingen in landscape uitwerken
